On June 21, 2005, the Commission ordered this case to be held in abeyance for a period of 20 days to permit American Electric Power (“AEP”) to resolve Complainant’s request for three-phase service. We further directed AEP to file a written report on the progress of Complainant’s request. On July 12, 2005, AEP filed a written report with the Commission in which it states that it has provided the requested service to the Complainant and satisfied the complaint.

IT IS THEREFORE ORDERED that:

1. Complainant shall notify the Commission in writing within 10 days of the date of this Order as to whether the Defendant has satisfied his complaint.
2. If the Commission does not receive a written response from the Complainant within 10 days of the date of this Order, the Commission shall assume that Defendant’s actions have satisfied the matters in the complaint and shall close these proceedings.
